REQUEST FOR UPDATED FILING RECEIPT

Mail Stop Amendment
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Applicants respectfully request that the filing receipt of the above mentioned patent application be updated to remove the asterisks and associated text from the section entitled "Domestic Priority data as claimed by applicant." The text associated with the asterisks reads "Data provided by applicant is not consistent with PTO records," which refers to the priority date listed in the Specification (June 27, 2003) not being consistent with the priority date in the Patent and Trademark Office records (June 26, 2003).

With this request Applicants are filing an amendment under 37 C.F.R. § 1.312 to correct the typographical error in the priority date listed in the Specification. The corrected priority date will read "June 26, 2003," which should be consistent with the Patent and Trademark Office records. As such, the asterisks and associated text are no longer applicable. Accordingly, the Applicants respectfully request that the asterisks and associated text be removed from the filing receipt.

Respectfully submitted,
